Forecast for Tuesday 20 Jul 2021

Weather: Mainly clear overnight, some cloud building at times. Perhaps some cloud in the morning especially for ranges near any coasts but generally dry and bright for all ranges, feeling very hot walking at times and strong UV levels. More in the way cloud may develop in the east later in the afternoon.

Chance of cloud free mountain/hill tops above 800m: 95%, perhaps some patches of cloud around Speyside and Ben Rinnes in the morning.

Visibility: Generally very good or excellent for all ranges, patches of cloud may fall to 700m fo the northern most Cairngorms but will remain above most summits until late evening when it may spread west with a base of 4-500ft affecting eastern ranges.
